

Leah Wilds
Candidate for Secretary

Candidate Statement

I have been a strong voice for faculty right for many years. I served two terms as UNR's Faculty Senate Chair. I have served as President of UNR's NFA chapter, and in that capacity, I served on the NFA State Board. I am currently a member of UNR's NFA board. If elected Secretary of the NFA State board, I would bring years of dedication and experience. I would also bring my passion for the preservation of faculty rights in all NSHE institutions of higher education. I also would be honored to continue to work on your behalf.
