

**Shari Lyman**  
**Candidate for Treasurer**

**Candidate Statement**

Dear NFA Members,  
I am honored to be nominated for NFA State Treasurer.  
I am a full-time, tenured economics professor at CSN.  
I am the most recent CSN NFA past chapter president.  
I appreciate all of the efforts of our past officers.

NFA is at a crossroads and requires strong leadership to ensure significant strengthening of academic freedom, due process, shared governance, and tenure throughout all NSHE institutions.

Also, NFA needs to focus on fiscal responsibility and accountability to all members with continued bylaws revisions and restructuring of relationships between AAUP, NFA, and individual chapters.

I would appreciate the opportunity to apply my skills, experience, and knowledge to benefit all NFA members and all of our institutions of higher learning.

Thank you,

Shari Lyman, Ph.D.
